

MONEY MIRACLE

I know what it's like to wonder how to afford groceries after the bills are paid. I remember the days when I begged the power company not to turn off my electricity before I got paid on Friday. And I know how miserable it is to live that way. Yet God is with us, especially in the midst of our sufferings, and wants to help us advance in holiness during these time if we are willing to let him do so!

A lot of people's worry and concern revolves around money. Money is a frequent issue of prayer for a very great number of people. A lot of people ask God to help them out financially by blessing them with money.

"Names rotate as orders are received"

GOD gives to us that we may have to give to others. GOD knows your heart, your motive. Would he not rather give it to someone who handles money in the way He finds to be pleasing and He knows will do good things with it? If you follow His ways when it comes to money, GOD will give you more of His money to manage. It's as simple as that.

Heavenly Father, I come before you to ask for a financial blessing to improve my life. My faith keeps me strong and I know you will provide for me and the people I love. I do not seek a large sum of money. I do not trouble you for unneeded comforts or luxury. I only ask for enough money to relieve my financial woes and ease

this stress. Give me the means to do your work, and spread your love. I have so much to give, if only I were allowed the chance. I offer my sincere gratitude for bestowing these wonderful blessings upon me. In your name I pray, Amen
