In this World of Skyrocketing Gasoline prices, Food prices, and commodities every month, where do we turn? **HELP IS NOW HERE!!**

Gasoline prices are going Up, Up, Up and it's up to us to find ways to balance out the cost. Do you know that people will go without food and medicine to buy gasoline? What is our Government thinking, or are they thinking? Don't wait for the Government to take care of you in times of crises like these. You must do it for yourself! Come aboard ***GAS CARD - GIFT CARD NOW*** and cut costly gasoline and food prices!

The Way It Works: You will need to purchase a membership position in ***GAS CARD - GIFT CARD*** for the amount of **\$35**. Each position pays \$100 over and over. The Monitor will place you in a 2X2 matrix under the person in the referred by position from this flyer. In a few days, you will receive a Welcome package. In the package is your own flyer with your name and ID# in the referred by position. There is also other important information to get you started if you are clueless of how to make this work.

Once you are placed in the 2X2 matrix under your sponsor and you get your Welcome package, make copies your flyer and share them with 2 of your best networking friends. Then after they share their flyers with 2 that join = 6 people under you; that causes your matrix to cycle and you are sent a **\$100 Pre-paid Gasoline Card** you can use at your choice of any Exxon, Shell, BP, or Marathon gas stations! Or instead, you may prefer a **\$100 Walmart Gift Card** or even \$100 in **CASH!!** Your Choice! Then your position drops down 2 levels under the next available spot in the matrix over and over receiving even more **GAS CARDS, GIFT CARDS, or \$100 In CASH!!**
