HI! I'm Charley (Chuck) Cash... and I want YOUR circular on my website and to get it, I will happily give you all the GREAT VALUABLE SERVICES listed above... FREE! Plus a few additional services others seem to not want to do... like typeset your name and address professionally in position on circulars for you, if requested. Like, give a splash of color on your black and white circular online. Now don't expect everything to be free... I have to pay my overhead and mama needs a new pair of shoes... but we keep rates down real low. THIS IS GOOD NEWS!

Send your black and white 1-side OR 2-side 8½x11 camera-ready circular and the low fee of just \$49. Additional circulars after you are all set up will be only \$12 ea. *That's MORE than 75% OFF* the already low regular fee. THIS IS GOOD NEWS!

• IF YOUR CIRCULAR NEEDS ANY SPECIAL BASIC TREATMENT - CHECK HERE  AND EXPLAIN FULLY IN WRITING. We will try our best to accommodate you, within reason of course. INCLUDE SASE if we need to send proofs first, before printing. When no proof is requested, our work is final.

OK CHUCK! I have enclosed my  1-side  2-side 8½x11 C/R Circular and the fee of \$49. RUSH my checking copies to me ASAP! I understand I DO NOT need Computer/Internet access to enjoy this super value service. Future circulars are only \$12 ea.
